Shepard will begin returning empty containers and skids as soon as the aisle carpet is removed and/or plastic protection is installed on top of the floor. All exhibitor materials must be removed from the facility by **Wednesday, June 08, 2022 | 11:00AM.**

Any materials remaining in the hall will be rerouted or returned to Shepard's warehouse to await disposition at the exhibitor's expense.

To ensure all exhibitor materials are removed from the facility during the exhibitor move out, please have all carriers checked in with Shepard no later than **Wednesday, June 08, 2022 | 11:00AM.**

Post Show Paperwork & Labels

Our Customer Service Representatives will gladly assist you in preparing your outbound shipping labels, outbound Material Handling Authorization paperwork, and outbound shipping in advance. You may find these forms included in this exhibitor services catalog. An email with links to an online portal will also be sent to the exhibitor contact on record for the booth. Labels and paperwork will also be available on-site. Make sure your carrier knows your company name, booth number, and the carrier check in deadline.

Outbound Shipping

It is the responsibility of each exhibitor to arrange for transportation of booth materials after the event. Our Customer Service Representatives are available pre show, during the show, and during move out to assist you in arranging shipping through our official carrier Shepard Logistics. For peace of mind and easy set up, contact Shepard Logistics before the event for transportation services to and from the event. Shepard does not provide UPS, FED-EX, or other carrier specific labels. Exhibitors must schedule pick ups directly with all carriers as well as provide carrier specific shipping labels.

TERMS & CONDITIONS

WOCNext® 2022: A Global Education Event from WOCN® and WCET®

Fort Worth Convention Center - Halls A-D | Ft Worth, TX

T123810622

June 5 - 7, 2022

You are entering a contract which limits your possible recovery in case of loss or damage. The terms and conditions set forth below become a part of the contract between Shepard Exposition Services, and you, the Exhibitor.

Exhibitor is deemed to accept these terms and conditions when any of the following conditions are met:

Exhibitor materials are delivered to the Shepard warehouse or to a show or exposition site for which Shepard is the Official Show Contractor, or an order for labor and/or rental equipment is placed by the exhibitor with Shepard.

Definitions and Shepard Responsibilities: The name "Shepard" shall be construed within the meaning of this contract as Shepard Exposition Services, Inc. and its employees, officers, agents, and assigns including any subcontractors Shepard may appoint. The term "EXHIBITOR" refers to any party who contracts for services with Shepard. Shepard shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. Shepard assumes no responsibility for any person, parties, or other contracting firms not under Shepard's direct supervision and control. Shepard shall not be responsible for loss, delay, or damage due to strikes, lockouts, work stoppages, natural elements, vandalism, acts of God, civil disturbances, power failures, acts of terrorism or war, or any other causes beyond Shepard's reasonable control; or for ordinary wear and tear in the handling of materials. Due to the security and liability requirements, Shepard personnel will unload all vendor materials from the loading docks to the booths. Exhibitors may not utilize powered mechanical equipment.

Indemnification: The exhibitor agrees to indemnify, forever hold harmless, and defend Shepard and its employees, officers and agents from and against any and all claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses on account of personal injury or death, damage to or loss of property or profits arising out of, or contributed to by any of the following: (1) exhibitor's negligent supervision of any labor secured through Shepard or the negligent supervision of such labor by any of the exhibitor's employees, agents, representative, invitees, and/or exhibitor appointed contractor (EAC); (2) exhibitor's negligence, willful misconduct, or deliberate act, or such actions of exhibitor's employees, agents, invitees, representatives, or EACs at the show to which this contract relates, including but not limited to the misuse, improper

use, unauthorized alteration, or negligent handling of Shepard equipment; or (3) exhibitor's violation of Federal, State, or Local ordinance; or violation of show regulations and/or rules as published by the Facility and/or Show Management.

Payments are due prior to delivery of services or equipment to EXHIBITOR unless other credit arrangements have been made. All payments shall be in U.S. currency, MasterCard, VISA, or American Express, debit cards, or check, provided there is sufficient customer credit in Exhibitor's form of payment to completely satisfy the amount owed by EXHIBITOR to Shepard. Undersigned authorizer acknowledges and agrees that all applicable charges for services rendered to the EXHIBITOR will be applied to the credit card on file in the event other form of payment is not tendered prior to the close of the trade show. In no instance shall any Exhibitor be extended credit beyond 30 days after the close of the Show. If there are any outstanding balances owed by EXHIBITOR to Shepard which have not been paid after 30 days following the close of the Show, then these unpaid balances shall bear interest at the rate of 1-1/2% per month (18% per annum). Exhibitor will be responsible for all charges incurred by Shepard while endeavoring to collect this account. If EXHIBITOR provides a credit card for payment and the credit card transaction is declined, EXHIBITOR hereby authorizes Shepard to process the outstanding balance in multiple smaller increments that total the amount of the outstanding payment obligation. In the event that a THIRD PARTY (AGENT) orders on behalf of the EXHIBITOR and the named THIRD PARTY does not discharge payment of the invoice prior to the last day of the show, charges will revert back to the EXHIBITOR. All invoices are due and payable upon receipt, by either party.

Show Site Orders: Services ordered at show site will require full payment at the time the order is placed. Purchase orders may not be used in lieu of payment. Regular prices will apply to all show site orders. Floor orders are limited to availability.

Third Party Orders: If you contract your work to a display or exhibit house and require services from Shepard, the payment policy stated above applies. Please pass this information on to them. A Third Party Payment form must be completed and submitted

three weeks prior to show opening. If your elected Third Party Provider fails to pay for Shepard Services, the exhibitor is still responsible for paying all invoices to Shepard.

Equipment Audits: EXHIBITOR should be advised that routine audits of Exhibitor booths for service usage are conducted during the Convention. Should the result of such an audit indicate that equipment or services is in fact being used that has not been paid for, the Exhibitor will be charged for the equipment or service at the applicable rate.

Exchanges and Cancellations: On-site exchanges and cancellations in orders will be assessed a 100% pick-up fee. Custom products: All orders cancelled by the exhibitor within 30 days of first day of exhibitor move in day may be subject to cancellation fees up to 100% of the total order, based upon the status of move-in, work performed and/or Shepard set-up costs or expenses. Equipment and Furnishings: There are no exchanges or refunds once item has been delivered to your booth. Cancellations must be received in writing 14 days prior to first exhibitor move in day. Labor: Cancellations must be received in writing before 48 hours of 1st day of exhibitor move in, otherwise a 1 hour per man ordered will apply.

Invoices: Prior to close of show, an invoice will be prepared and emailed to the booth contact on file for your review. Credits will be issued at show site only. If you have any questions or want to pay your invoice by check or cash, please see our customer service representatives at the service desk on-site.

Outbound Services: All outbound services will be processed on your credit card. A copy of the receipt and invoice will be mailed within 10 days of the close of the show.

Rental Responsibility: All materials are on a rental basis and shall remain the property of Shepard. The customer shall be held financially responsible for any damage to Shepard equipment used by the customer. Prices quoted are for the duration of the show and include installation, rental, and removal except where indicated. If skirting and carpet colors are not selected, show colors will prevail.

June 5 - 7, 2022

International Customers: International customers must pay for all services in U.S. funds. A \$50 service charge will be added for processing checks or wire transfers drawn on foreign banks.

U.S. Wire Transfers: A \$25 service charge will be added for processing U.S. wire transfers. Please complete the wire transfer portion of the Method of Payment form. The credit card portion of the form must still be completed before your order will be processed.

Tax Exempt Status: If you are tax exempt in the state where the show is held, a copy of the certificate must accompany your order.

Tax Rates: State tax regulations and tax rates can change after the date of publication. Prevailing state tax rates will supersede any published rate.

Exhibitor Information: Exhibitor permits all contact information provided to Shepard to be used by Shepard and shared with other entities assisting in the production of the event in question. Facsimiles and email communications may include show information, promotional materials, advertising statements and other commercial notices. Permission may be revoked by the EXHIBITOR in writing.

Cancellation or Event Postponement: In the event the exposition or event is cancelled or postponed, Shepard reserves the right to charge for services rendered in preparation of the event or exposition as well as non-refundable costs incurred by Shepard.

Insurance: It is understood that Shepard is not an insurer. Insurance should be obtained by the EXHIBITOR. It is highly recommended that exhibitors arrange All Risk coverage which usually can be done by endorsements to existing policies. Exhibitor's materials should be insured from the time they leave their firm until they are returned after the close of the show. Insurance and liability against theft or property damage to equipment or exhibit material owned or rented by EXHIBITOR, or bodily injury occurring within the confines of Exhibitor's booth, remain the sole and complete responsibility of EXHIBITOR. Except where prohibited by law, the EXHIBITOR and its insurers waive all rights of recovery or subrogation against Shepard and their respective directors, officers, employees, and agents.

Claim(s) for Loss and Payment For Services: Exhibitor agrees that any and all claims for loss or damage shall be submitted to Shepard prior to the conclusion of the show when the alleged loss or damage occurred prior to that time, and in all cases within 30 days of the conclusion of the show. For claim reporting purposes, the "conclusion" of the show shall be construed as the end of the day on which exhibitor

must vacate the show site. All claims reported after the 30-day period will be rejected. In no event shall a suit or action be brought against Shepard more than one year after the date the loss or damage occurred. Payment for services may not be withheld. In the event of any dispute between Shepard and the exhibitor relative to any loss or damage claim, the exhibitor shall not be entitled to and shall not withhold payment for Shepard services as an offset against the amount of the alleged loss or damage. Any claim against Shepard shall be considered a separate transaction and shall be resolved on its own merit.

Limits of Liability: If found liable for any loss, Shepard's sole and exclusive maximum liability for loss or damage to Exhibitors materials and Exhibitor's sole and exclusive remedy is limited to \$.50 (USD) per pound per article with a maximum liability of \$100.00 (USD) per item, or \$1,500.00 (USD) per shipment whichever is less. All shipment weights are subject to correction and final charges determined by the actual or re-weighed weight of the shipment. Shepard shall in no event be liable for collateral, exemplary, indirect costs or damages, or loss of sales resulting from, or related to, a claim for loss of or damage to material.

Inbound and Outbound Shipments: Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the exhibitor or his representative. During such time, the materials will be left unattended. Shepard is not, and cannot be, responsible for loss, damage, theft, or disappearances of exhibitor's materials after same have been delivered to the exhibitor's booth. Similarly, there may be a lapse of time between the completion of packing and the actual pick up of exhibitor's materials from the booth for loading onto a carrier. During such time, the materials will be left unattended. Shepard shall not be responsible for loss, damage, theft, or disappearance of exhibitor's materials before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted by the exhibitor and notations of exceptions to conditions of materials or piece counts will be made on said document. Shepard assumes no responsibility for loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's appointed carrier or agent for transportation after the show. Shepard loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. Shepard assumes no liability for any materials after the carrier assumes custody of materials. If exhibitor's designated carrier fails to show by the move out deadline after a show, Shepard shall have the authority to route exhibitor's shipment via an alternate carrier, or return shipment to a local warehouse for disposition at exhibitor's expense.

Packaging, Crates, and Empty Containers: Shepard shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. Shepard shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. Shepard shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the exhibitor or their representative. All previous labels should be removed. Shepard assumes no responsibility for removal or mis delivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "empty."

COVID-19 CANCELLATION POLICY

WOCNext® 2022: A Global Education Event from WOCN® and WCET®

Fort Worth Convention Center - Halls A-D | Ft Worth, TX

T123810622

June 5 - 7, 2022

Cancellation Policy Statement for Exhibitors on Events Impacted by Coronavirus

(COVID-19) The impact of COVID-19 has been unlike anything our live events industry and the global community have ever experienced. We understand that our exhibitors are disappointed in the lost opportunity to connect with attendees and grow their businesses. Due to these unprecedented circumstances, we have temporarily revised our policy to support our customers.

This policy will apply to events that cancel prior to Shepard's commencement of moving in the event:

- We will offer 100% refunds on standard furnishings, accessories, executive furnishings and standard carpet/padding. Custom products such as premium, special cut carpets and graphics will be refunded at 70-100%, based on cancellation date.
- Custom rental exhibits will be refunded based on cancellation date and production status.
- We will charge for work performed on labor, material handling and transportation.
- Custom fabrication items are non-refundable.
- All products/services not listed above will be charged per contracted terms.
- The Shepard customer services team will reach out to exhibitors to assist with freight, as well as answer any questions regarding orders. They will be able to assist on both cancelled and postponed shows.

Frequently Asked Questions

How do I cancel my order?

As soon as we are informed of a cancelled event, we will begin working through canceling orders. You will be emailed a final invoice showing any applicable charges and/or credits.

If I just sent in my order, will it be processed, and will my card be charged?

If we have been notified by the event organizer that the event has been cancelled, we will not process the order.

When will I get a refund?

If a refund is due, we will send a check for monies due to the address on file. Wire transfers will be refunded and issued by the Shepard Accounts Receivable department as soon as invoices are finalized.

Will I still be charged material handling for my shipment?

Yes, material handling charges will apply and will be based on where your freight was shipped and if it had been taken to show site by the time of cancellation.

I already shipped my freight to the Shepard advance warehouse or the event. Can you send it back to me?

Yes, with the shipment already in our possession, we can easily return your freight to the destination of your choice using Shepard Logistics. Please contact us at logistics@shepardes.com.

Shepard reserves the right to modify this and other policies at any time.

SAFETY FIRST PLAN

DEADLINE: FRIDAY, MAY 6, 2022

This form is to be completed by the Exhibitor and returned to Shepard by the deadline date noted above.

EXHIBITING COMPANY NAME: _____ BOOTH NUMBER: _____

CONTACT EMAIL ADDRESS: _____ PHONE NUMBER: _____

An Exhibitor Appointed Contractor (EAC) is a company other than the "general or official" service provider on the show that requires access to your booth during installation and dismantling. The EAC may only provide services in the facility that are not designated by the facility as "exclusive" to a designated provider, or by the event organizer in a contract as an exclusive service for the "general or official" service provided or other third party.

No EAC will be allowed to work in an exhibitor's booth if this EAC form, a valid form of insurance, a third party Method of Payment form and an exhibitor Method of Payment is not completed by an authorized representative and received by Shepard by the due date indicated above. The Form must be completed for every third party (as well as any other ordering third party ordering or requesting services from Shepard on behalf of exhibitor) at the above event. Multiple booths are not to be listed on one form. If form is not submitted by deadline date, the EAC will not be allowed to perform work in the hall except to supervise the official contractor provided labor.

EXHIBITOR APPOINTED CONTRACTOR: _____

DESCRIPTION OF PROPOSED SERVICE FOR EXHIBITOR: _____

The EAC hired by the exhibitor must, by the deadline date, provide Shepard with a current Certificate of Insurance with minimum limits of \$500,000 property damage per occurrence, \$1,000,000 personal injury per occurrence, workers compensation aggregate coverage of \$1,000,000 per occurrence, and naming Shepard Exposition Services as the certificate holder for the time period of the event, including move-in and move out days. Listing Shepard Exposition Services as an additionally insured only will not be accepted, and may prevent EAC from working on the premises. If EAC does not have minimum coverage and proper documentation, they will be subject to employing Shepard Exposition Services for labor services.

The EAC must abide by the rules and regulations of the show and all pertinent union regulations.

EAC employees must wear approved identification badges at all times while in the work area. Badge will be issued at show site to authorized contractor representatives when all requirements have been met.

The EAC must confine its operations to the exhibit area of its clients. No service desks, storage areas or other work facilities will be located anywhere in the facility. Show aisles and public areas are not part of the Exhibitor's booth space.

Solicitation of business by EAC is strictly prohibited. EAC companies discovered soliciting will be removed from the show floor and the exhibitor will not be able to use that EAC for the remainder of the event.

The EAC must have all business licenses, work permits and insurance required by State and City governments and Facility Management before beginning work, and shall provide Show Management with evidence of compliance.

If required, the EAC must be able to provide evidence that it has current and applicable labor contracts and must comply with all labor agreements and jurisdictions. The EAC must not jeopardize the production of the event by any act or practice that would lead to work stoppages, strikes or labor disputes.

EACs agrees to keep all No Freight Aisles clear at all times. If SES is required to rearrange any material situated in a clearly No Freight Aisle, the exhibitor or the EAC depending on billing arrangements will be a charged a 1 hour minimum forklift rental and labor.

SHIPPING VS. MATERIAL HANDLING

Make freight management easy.
With Shepard, You Can.

What is Shipping?

Shipping is the process of a carrier picking up items from your office or any place of origin and transporting it to the dock of either the advance warehouse or event facility. Shipping is separate from Material Handling. Exhibitors may use any carrier they want, including Shepard Logistics.

What is material handling?

Material Handling is the process of receiving a shipment from your carrier and managing on-site handling of the shipment through the event cycle. It is a standard event procedure with associated costs typically based on shipment weight.

Material Handling Process:

- Unloading freight from your carrier once it arrives at the receiving dock.
- Transporting freight from dock to your booth space.
- Removing empty shipping containers (boxes, crates and pallets) from your booth.
- Temporarily storing your empty shipping containers during the show.
- Returning empty shipping containers to your booth at the close of event.
- Transferring your freight back to the loading dock.
- Loading your freight into your carrier's delivery vehicle for return shipping.

One easy way to keep charges low?

Consolidate. Whether you ship to the advance warehouse or directly to show site, it is in your best interest to consolidate your shipment as much as possible. Each shipment that arrives separately is assessed the minimum charge.

So, keep your charges low by skidding items so that they are sure to arrive together.

Ship Roundtrip with Shepard Logistics and receive a 10% discount* on Material Handling

* Discount does not apply to shipments considered small package, local deliveries, "Light Weight" shipments, or shipments over 10,000 lbs. Roundtrip SLS shipping is required to qualify for discount. (35572)

What is Material Handling? Material Handling is the unloading and delivery of exhibit freight to the exhibitor's booth on the show floor, the storage of empty containers, the return to booth for packing, and the loading back onto the exhibitor's outbound carrier. This is an automatic service and is billed based on weight. This service, whether used completely or in part, are billed as a package.

How to Calculate Material Handling Services The following services whether used completely or in part are offered as a package. When estimating weight, round up to the next 100 lbs. For example: 285 lbs. = 300 lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

Standard Material Handling Rates All rates are per 100 pounds with a 200 pound minimum charge. Certified weight tickets are required on all shipments.

Blended Rates The rates stated are blended to include overtime based on the schedule at publication. Changes in schedule or if your carrier delivers your freight outside of published hours may result in additional fees. Please see Material Handling page for a complete listing of all possible charges.

Advanced Warehouse Shipments**

** Single pieces over 5000 pounds, machines or uncrated items cannot be accepted at warehouse.

Special Handling Definitions

Rate as shown on Material Handling Rate Form, approx. 30%.

Shipments received that are packed in a manner as to require additional handling/labor are deemed special handling. Examples of shipments falling into this category would be constricted space unloading, ground unloading, stacked shipments, designated piece unloading, shipment integrity, mixed shipments, no bill of lading or documentation, carpet/pad only shipments.

Constricted Space

Freight packed in trailer to full capacity. Shipments are not easily accessible because trailer is loaded by cubic space, or top to bottom and side to side.

Stacked Shipments

Shipments with multiple pieces stacked on top of one another throughout the majority of the truck or trailer requiring unstacking during the unloading process.

Mixed Shipments

Mixed shipments are shipments that contain a mixture of uncrated and crated materials, and the uncrated portion is minimal deeming the shipment special handling but not uncrated. But in cases where greater than 50% of the load by volume is uncrated the load will be categorized as uncrated.

Shipment Integrity

Shipments loaded on a carrier in a manner requiring separating or sorting to reestablish the integrity of each shipment.

Carpet/Pad Only

Carpet and/or pad only shipments are time and labor intensive, and require additional manpower and tools (e.g. carpet poles, flatbed carts or scooters, dollies).

No Documentation

Shipments received from small package carriers (including, among others, Fed Ex, UPS, & DHL) that are delivered without documentation or bills of lading that require additional sorting, processing, and tools for delivery.

Designated Piece Unloading

Shipments loaded in such a manner that require the unloading/loading crew to be directed by driver remove items in a particular order, or unloading and reloading items to reach certain pieces behind others remaining on the trailer.

Padded Van Deliveries

This applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.

Disposal Fee

A disposal fee & minimum 1 hr. labor will be charged for all booth materials (booth displays, flooring, etc.) that are left unclaimed after show move out.

Overtime/Double-time

SURCHARGE: Overtime: 30% • Double Time: 50%
Shipments that are moved and/or handled on overtime and/or double time hours will incur a surcharge based on the handling times noted on the receiving/shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the Shepard Service Desk AND the driver has checked in.

Warehouse Overtime/Double-time

SURCHARGE: Overtime: 30% • Double Time: 50%
Advanced shipments may be received during straight time hours at the warehouse location, however an overtime/double time surcharge may be applied to an advanced warehouse shipment due to required delivery schedule based on show move-in and move out hours beyond our control. This would also be true if freight was received after hours at the warehouse trapping facility.

Early/Late Shipments to the Warehouse

SURCHARGE: 25% • 35003
A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site after show opening. Any shipment arriving to show site after show open will be charged a surcharge.

Uncrated Shipments

Rate as shown on Material Handling Rate Form
An additional charge of 50% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move out of the show, and is based on the weight of the shipment handled.

Off-Target Deliveries

SURCHARGE: 15% • 35004
For targeted shows (exhibitors who received/requested a Targeted Date/Time), a surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

Marshaling Yard

FEE: \$30 per Shipment • 35250
Where Shepard Exposition Services as the show contractor must lease space for Marshaling Yard operations because no space is provided by the facility, Shepard may charge a one time fee per shipment processed inbound and/or outbound through the Marshaling Yard.

Reweigh of Shipments

FEE: \$25.00 per forklift load • 35282
An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

Empty Crate Storage

FEE: \$25.00 per piece • 35105
A charge per crate, carton or skid applies when Shepard handles the storage and return of empties from a shipment not received by Shepard and therefore not subject to material handling charges.

Light Weight Shipments

Shipments weighing 40 lbs. or less will qualify for the light weight shipment rate. Shipments exceeding 40 lbs. will be billed standard Material Handling fees at the prevailing show rates. All shipments must have certified weight tickets.

Envelope Deliveries

FEE: \$10.50 per envelope • 35007
During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

Priority Empty Labels

FEE: \$75.00 per label • 35064
Limited quantities available on a per event basis.

Mobile Spotting

FEE: \$200 per round trip
All vehicles must be escorted in and out of building by Shepard personnel.

MATERIAL HANDLING 101

Shepard Exposition Services is the sole provider of Material Handling Services. Exhibitors or their hired EAC/Carriers may not deliver freight to exhibit spaces or operate any type of mechanical or powered equipment. Material handling is a billable service.

What is material handling (also referred to as drayage)? Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

What is the definition of "freight"? Any exhibit materials shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

What is the difference between material handling and shipping? Shipping is the process of transporting your shipment from its origin to its final destination. Material handling begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.) These are 2 different items and are billed differently.

Do I need to order a forklift to unload or reload my freight? No, please do not order a forklift for unloading/reloading of your materials.

What does CWT mean? CWT is an acronym for Century Weight.

What determines how much I'm charged? Charges are based on certified inbound weight ticket included with your shipment as well as the type of service required.

How do I calculate material handling charges? Material handling, whether used completely or in part are offered as a round trip service. When recording weight, round up to the next 100 lbs. EXAMPLE: 285 lbs. = 300 lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

Will there be any additional charges? Additional charges may apply. Please review the Material Handling Authorization and Material Handling Additional Services forms included in the manual for all applicable fees.

What are Light Weight shipments? All shipments regardless of carrier that weigh 40 pounds or less. Shipments need to have certified weight tickets or other verifiable weight noted upon delivery. Shipments without certified weight tickets may be subject to special handling or reweigh fees. Packages that arrive separately at different times or days will be billed separately.

All shipments, regardless of carrier, weighing 41 lbs. and up will be billed using the standard material handling rates listed in the kit and billed at a 200 lb. minimum.

How do I calculate my Light Weight shipment?

Charges for Light Weight shipments are total shipment weight, per delivery. Any shipment above 40 lbs. will not qualify for this rate. Please be advised that your whole shipment may not arrive to its destination at one time. Therefore you may be charged per each delivery.

What are Crated Materials? Materials delivered that are skidded or in a container that can easily be unloaded/reloaded with no additional handling required.

What are Uncrated Materials? Materials delivered that are loose, pad-wrapped or unskidded without proper lifting bars and/or hooks.

What is Special Handling? Shipments received that are packed in a manner as to require additional handling/labor are deemed special handling. Examples of shipments falling into this category would be constricted space unloading, ground unloading, stacked shipments, designated piece unloading, shipment integrity, mixed shipments, no bill of lading or documentation, carpet/pad only shipments.

What are Advanced Shipments? All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual). Shepard will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule).

The warehouse will receive shipments Monday-Friday, 8:00 AM - 4:00 PM, excluding holidays. Shipments must arrive by advanced warehouse deadline date to avoid late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.)

Crates, cartons, skids, fiber cases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

What are Direct Shipments? All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during published exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

Crates weighing over 5,000 lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

What is and why would I need liability insurance? Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

If applicable, included in your manual is information and an application for liability insurance and booth coverage can also be purchased to protect your valuable exhibit materials.

Outbound Shipping You must complete a Shepard Material Handling Agreement (MHA) for all outbound shipments. A MHA will be distributed at show site if all services have been paid in full, or you can request one at the customer service desk.

Upon completion of packing and labeling of your materials, complete the bill of lading (MHA) with all required information, and return to the customer service desk. If you have questions on how to complete your bill of lading (MHA), please ask a Shepard customer service representative located at the customer service desk.

If you are NOT using the designated show carrier, you must call your carrier with pick-up information. If your carrier fails to pick up your shipment, Shepard Logistics will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your MHA).

Equipment. Exhibitors or their EACs may not utilize or operate any type of material handling mechanical or powered equipment. If you need assistance, please contact us to order labor and equipment.

Cartload Service provides service to exhibitors arriving in personally owned vehicles (POVs) and have small hand-carried items that need to be delivered to and from the dock/booth location. Exhibitors may not utilize mechanical or powered equipment to unload their items.

Cartload Service includes:

Includes:

- One laborer
- One cart
- One trip (per rate listed below)

Please remember:

- If you arrive with a truck, van, trailer, or truck with trailer filled with exhibit material you will not qualify for this service and will be redirected.
- No personal trucks (one (1) ton & over), no rental trucks, trailers, or bobtails will be unloaded through cartload service.
- All items must fit on flat bed cart (approximately 3' x 4' in size) and weigh less than 200 pounds. If items are designated by Shepard personnel to be too large or too heavy, materials will be billed at regular material handling rates.
- Your vehicle must unload on the receiving dock of the exhibit hall. Shepard personnel will direct vehicles. The cart is not authorized to enter or go to any parking structure. There must be two (2) people with the vehicle; one person to go with your product to the booth space and one person to remove your vehicle from the unloading area to the parking area.

Displaying a Vehicle at the Event?

(including rolling stock, self-propelled, towed and/or pushed vehicles/machinery)

All vehicles must be escorted on and off the floor by a Shepard representative. Shepard charges a round-trip fee, per vehicle, to place a vehicle on the trade show floor. Additional charges may apply when additional labor and equipment are required.

Step 1.

If you have a vehicle, make sure it is shown on the official floorplan by alerting Customer Service or your Event Management.

Step 2.

Contact Customer Service to schedule your move in and out. Vehicle placement must be supervised by the exhibitor.

Important Rules and Regulations

- Battery Cables must be disconnected.
- Gas Cap must either be taped shut or have a lockable gas cap.
- Must contain less than 1/4 tank of gas.
- Exhibitor is responsible for checking local Fire Marshal rules and regulations for additional requirements.

All vehicles must be removed no later than:

Wednesday, June 08, 2022 | 11:00AM

Any vehicles left after that time are subject to removal by towing or other means. Exhibitors are responsible for all removal charges.

UPLOADING GRAPHICS 101

ADDING FILES TO THE FTP.

WOCNext® 2022: A Global Education Event from WOCN® and WCET®

Fort Worth Convention Center - Halls A-D | Ft Worth, TX

T123810622

June 5 - 7, 2022

All graphic files for ordered products should be uploaded to our FTP site. Please see Graphic Guidelines page for detailed file specifications.

Before Sending Files

1. Please name your files for easy identification using the following format:

Company Name_Booth#_Panel Letter

example: Shepard_Booth1905_Panel A.pdf

2. Packaged files should be compressed (.zip) and include document, fonts and images needed.

Submitting Your Files

1. Go to: files.shepardes.com.
2. Login to the FTP site.
User Name = sesftp
Password = ftpftp
3. Click the **Go to Files** button.
4. Select the "Drop Off" folder.
5. Navigate to the show folder using the following path:
Year → Month → Show Name → Exhibitor Uploads
example: 2020 → 01_Shepard Show → Exhibitor Uploads
6. Upload files by drag and drop OR by selecting the **Upload** button and browse to the files you want to upload.
NOTE: You can create additional folders using the New Folder button to help with organizing uploads. Be careful when doing this, as you can not delete these.
7. When upload is complete, email the name of your files to:
orders@shepardes.com with the subject line: "Show Name" FTP Upload.

Failure to follow these steps could result in delayed graphics.

SHEPARD GRAPHIC GUIDELINES

DIRECT TO SUBSTRATE PRINTING.

Ensure your brand is professionally showcased.
With Shepard, You Can.

Our talented, in-house design team provides graphic layout services to ensure a seamless transfer of files for print and production. If files are being provided, please provide these guidelines to your designer to use as a roadmap for designing and submitting graphics.

Document Size & Specs

- All artwork should be created at 100% size at 150 dpi or in a proportionally scaled down format.
examples: 50% at 300 dpi OR 25% at 600 dpi
- Please mark artwork size if scaled down.
example: DESIGNED AT 50%
- All content should be kept within the live area, leave approximately 2" all the way around artwork to ensure sign holder or structure metal does not cut off content.
- When working between Adobe programs, DO NOT copy & paste objects from Illustrator to InDesign files. This causes objects to not print correctly. Save elements from Illustrator and place them in InDesign.

Acceptable File Formats

Shepard uses the most current version of Adobe Creative Cloud®. If providing native files from another version, please also provide an .idml file. **WE DO NOT ACCEPT:** Microsoft® Word®, Excel®, or PowerPoint® files.

PROGRAM	FILE EXTENSION	SPECIAL CONSIDERATIONS
 Acrobat	.pdf	Must be high resolution with fonts embedded.
 InDesign	.indd or .idml	Images embedded and fonts changed to outlines or send a packaged file with fonts and images.
 Illustrator	.ai or .eps	Vector artwork. Images embedded and fonts changed to outlines or send a packaged file with fonts and images.
 Photoshop	.psd .tiff .jpeg .eps	Raster artwork. Must be built in CMYK color space.

Color

- Artwork must be created in the **CMYK color space**.
- If **PMS color matching** is required during the printing process, please **use Pantone®+ Solid Coated swatches** in your artwork.
- Converting color from RGB to CMYK will change the vibrancy and the look of some effects, DO NOT design artwork in RGB. Colors may vary due to output devices.

RGB Color Space.

CMYK Color Space.

Fonts & Links

If creating artwork in Adobe® InDesign® or Illustrator® there are two options when supplying fonts.

- **Change fonts to outlines.** This prevents fonts defaulting or being substituted throughout the layout and production process. *REMEMBER: if creating outlines, text is no longer editable.*
- **Package the fonts.** From InDesign or Illustrator select File → Package → Check “Copy Fonts” and submit PC format TTF fonts or OTF fonts with your artwork.
- **Package the links.** From InDesign or Illustrator select File → Package → Check “Copy Linked Graphics” and submit all images with your artwork.

SHEPARD GRAPHIC GUIDELINES

CONTINUED

Artwork can be created in several ways.
Here are some things to consider.

Vector

- Vector-based artwork is resolution independent and can be enlarged or reduced without loss of quality.
- This is the preferred file type and is most often created in Illustrator and used for creation of logos and icons.

Raster

- Raster-based artwork is resolution dependent and will reproduce poorly if the appropriate file resolution is not supplied correctly.
- If supplying raster art, it is best to save your artwork in a 1 to 1 (full size) output ratio at 150 dpi or higher. Lower resolutions (1MB or smaller) will result in reduced image quality. File size should not exceed 200MB (if possible).
- Raster images are most often created in Photoshop and is most often used for photographic images.

Vector Logo at 100% scale.

Vector Logo at 200% scale.

Raster Logo at 100% scale.

Raster Logo at 200% scale.

Resolution

- Artwork should scale to 150 dpi at 100% scale to ensure the artwork remains high resolution when printed at full size. See examples and samples below.

*examples: 1:1 or 100% - resolution no less than 150 dpi
2:1 or 50% - resolution no less than 300 dpi
4:1 or 25% - resolution no less than 600 dpi*

- Images pulled from the Internet are NOT suitable for high quality, large format printing. These images are low resolution and will not reproduce well.
- Verify resolution by viewing artwork on the screen at full size in high definition. Observe image from different distances away, artwork is typically view from a couple feet away.

Before Sending Files

- Please name your files appropriately for easy identification.

*examples: Poster_22x28.pdf
Panel A_1920x898_Qty3.pdf
Shepard_Booth1905_Panel A.pdf*

- Clients should compress information that they transfer electronically (.zip).

NOTE: Please provide a JPEG thumbnail or low resolution PDF of the graphic for the Account Executive to view, this helps when creating/entering orders in our system.

Submitting Your Files

- **FTP.** Ask your Account Executive to create a folder in the "Dropoff Folder." Packaged files should be compressed (.zip).

Website: files.shepardes.com

Login: [sesftp](#)

Password: [ftpftp](#)

- **Email Attachment.** MAXIMUM SIZE: 10MB
- **Large File Transfer Site.** DropBox, YouSendIt, WeTransfer, Hightail, etc.

HANGING SIGNS 101

THINGS TO KNOW.

All signs must be designed to comply with Show Organizer rules and regulations and facility limitations. Shepard is responsible for assembly, installation, and removal of all hanging signs, overhead truss, attachment and removal of light fixtures for truss and lights, as well as any additional installation required for chain motors, span sets or other packages.

Only Shepard personnel are allowed in aerial lifts or operate mechanical equipment.

Only Shepard certified riggers can install and remove any and all hanging materials that will be flown overhead.

All signs, with the exception of banners, must have structural rigging points and signs exceeding 200 pounds must include detailed construction plans with a current structural engineer's stamp. Send these plans to Customer Service in advance of the first day of move in.

Include engineer-stamped drawings with hanging instructions as well as a set of assembly instructions (placement/orientation/height from floor) with the order. Shepard accepts no liability for any work completed without such instructions, when required.

If your sign requires electricity, make sure it is in working order and in accordance with the National Electric Code.

Overhead Signs should be sent in a separate container directly to the advance warehouse using the Advance Hanging Sign Shipping Label.

Additional charges may be applied by Shepard due to regulations at the facility, weight limits, union jurisdictions, facility contracts, and in house providers. Including but not limited to: spanner truss for load points, additional labor for power and/or lighting specifics, additional materials, facility pick point ceiling fees, facility and/or in house exclusive labor charges, etc.

- ☐ Submit Diagrams with orientation, dimensions and placement for ALL materials that will be flown overhead
- ☐ Package Hanging Sign(s) in a separate container from exhibit materials
- ☐ Label Hanging Sign(s) using the Hanging Sign Shipping Label from this service manual
- ☐ Ship Hanging Sign(s) to the Advance Warehouse by: **Friday, May 27, 2022**

ONLINE & DISCOUNT DEADLINE:* FRIDAY, MAY 13, 2022

* Order with complete Method of Payment must be received before Discount Deadline date to receive discounted pricing.

Only Shepard Exposition Services may operate machinery. Exhibitors and their EACs may not utilize, operate, or be inside equipment.

Shepard can hang signs weighing 150lbs or less without truss or motors. JSAV will hang any signs over 150lbs and with truss or motors.

Additional charges may be applied by Shepard due to regulations at the facility, ensuring structural integrity of sign, weight limits, union jurisdictions, facility contracts, and in house providers. Including but not limited to: spanner truss for load points, additional labor for power and/or lighting specifics, additional materials, facility pick point ceiling fees, facility and/or in house exclusive labor charges, etc. Please note: Per riggers jurisdiction, a rigging crew (up to 3 riggers) may require a 4-hour minimum to install any hanging sign, truss and/or motors, or structures requiring hoisting. Rates are per lift and crew per hour.

LABOR RULES & REGULATIONS

Dallas & Fort Worth, Texas

LABOR

Texas is a “right-to-work” state. Exhibitor personnel may set up their own exhibits if so desired using their own non powered tools and full time company personnel. Union Labor is available to assist in the installation and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged for at established rates, using the enclosed order forms.

EXHIBIT LABOR JURISDICTION

Exhibitors may erect or dismantle their own exhibits provided they utilize their own fulltime company personnel. All hired labor must come from the union supplied labor. They may be employed by completion of labor forms enclosed in this manual.

Union Labor is not required to put your products on display, to open cartons containing your products, nor to perform testing, maintenance or repairs on your products

MATERIAL/FREIGHT HANDLING JURISDICTION

Shepard Exposition Services has the responsibility of receiving and handling all exhibit materials and empty crates that comes in via over the road carriers. It is Shepard's responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the exhibition. Shepard will not be responsible, however, for any materials they do not handle.

Exhibitors may unload their own privately owned vehicles provided they do not use any material handling equipment (forklifts, dollies, flat beds, pallet jacks, etc)

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense.

The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with Shepard Exposition Services to store empty crates. Please refer to the Material Handling Information sheet in this service manual for the handling of empties, disposal of skids, etc.

GRATUITIES /BREAKS

Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Do not give coffee breaks other than mid-morning and mid-afternoon, when the union has a 15 minute paid break. Meal breaks are one hour. Any attempt to solicit a gratuity by an employee for any service should be reported immediately to Shepard Exposition Services.

IN GENERAL

Exhibitors do not have to respond to grievances or complaints from union and trade personnel with respect to work jurisdictions. Please refer all such disputes and/or questions to Shepard management personnel immediately.

SAFETY

Safety of everyone working in the hall is of our utmost concern at all times. Standing on chairs, tables and other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Shepard Exposition Services cannot be held responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order Form included in this manual and the necessary ladders and tools will be provided.

Guidelines for Display Rules and Regulations

2019 North American Update

Made possible by a generous grant from

FREEMAN®

The following **Guidelines for Display Rules and Regulations** have been established by the International Association of Exhibitions and Events® (IAEE) to assist in promoting continuity and consistency among North American exhibitions and events. This revised 2019 edition is offered as a resource for exhibition and event organizers to use in creating consistent and fair exhibiting standards for their events.

Recognizing that every show is unique, IAEE presents the information contained within as recommendations or suggestions for exhibiting standards each Organizer should consider. Organizers are encouraged to review the **Guidelines** and then develop their own show-customized set of exhibiting rules and regulations based on the individual features of their specific exhibition or event.

Once an Organizer has finalized their show's official set of display rules, it is good practice to provide access to a digital copy within the show's exhibitor prospectus, an exhibitor services kit, and the official rules and regulations pertaining to exhibitor participation. By providing exhibitors with the professional standards expected of their displays and participation, they will be prepared to properly design, build and plan their booth's layout and content allowing for an environment where all exhibitors will have the opportunity for successful interaction with their audiences.

Important Note: Although compliance with fire, safety, the U.S. Americans with Disabilities Act (ADA), and other state, federal or provincial government requirements have been addressed, Organizers should always check with exhibition service contractors and the facility for specific details on local regulations and requirements.

*IAEE is a global association that serves as the foremost authority on exhibitions and events management and operations, and these **Guidelines** are the model for most North American exhibitions and events but in all instances, organizations should consult their legal counsel. In no event shall IAEE be held liable for damages of any kind in connection with the material, methods, information, techniques, opinions or procedures expressed, presented, or illustrated in these **Guidelines** or related materials.*

GUIDELINES FOR DISPLAY RULES AND REGULATIONS 2019 TASK FORCE	15

IAEE has identified two distinctly different styles of show display regulations. One style is “Line-of-Sight” while the second is “Cubic Content.” Organizers should decide which style is best suited to their event or designated section of the event.

LINE-OF-SIGHT STYLE

Line-of-Sight display rules provide restrictions on certain areas of booths to allow attendees to view neighboring booths in their line of sight as they walk the floor. There are a variety of booth types, and each one is addressed below with specific insight on how to implement Line-of-Sight regulations.

LINEAR BOOTH

The ability to have products or services easily seen by attendees as they walk the aisles is essential to all exhibitors, and that is the basis for including a Linear Booth Line-of-Sight setback rule. Linear Booths, also called “in-line” booths, are generally arranged in a straight line and have neighboring exhibitors on their immediate right and left, leaving only one side exposed to the aisle.

Dimensions

For purposes of consistency and ease of layout and/or reconfiguration, floor plan design in increments of 10ft (3.05m) has become the de facto standard in the United States. Therefore, unless constricted by space or other limitations, Linear Booths are most commonly 10ft (3.05m) wide and 10ft (3.05m) deep, i.e. 10ft by 10ft (3.05m by 3.05m). A maximum back wall height limitation of 8ft (2.44m) is generally specified to prevent display materials from imposing on neighboring exhibits behind the back wall.

Use of Space

Regardless of the number of Linear Booths utilized, e.g. 10ft by 20ft (3.05m by 6.10m), 10ft by 30ft (3.05m by 9.14m), 10ft by 40ft (3.05m by 12.19m), etc., display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of 8ft (2.44m) is allowed only in the rear half of the booth space, with a 4ft (1.22m) height restriction imposed on all materials in the remaining space forward to the aisle. Note: When three or more Linear Booths are used in combination as a single exhibit space, the 4ft (1.22m) height limitation is applied only to that portion of exhibit space which is within 10ft (3.05m) of an adjoining booth.

CORNER BOOTH

A Corner Booth is a Linear Booth at the end of a series of in-line booths with exposure to intersecting aisles on two sides. All guidelines for Linear Booths apply.

PERIMETER BOOTH

A Perimeter Booth is a Linear Booth that backs to an outside wall of the exhibit facility rather than to another exhibit.

Dimensions and Use of Space

All guidelines for Linear Booths apply to Perimeter Booths except that the typical maximum back wall height for Perimeter Booths is 12ft (3.66m).

END-CAP BOOTH

An End-cap configuration is essentially an in-line (linear) booth placed in the position of a Peninsula or Split Island. For shows that have Line-of-Sight rules and not Cubic Content, this configuration must follow the dimensions below. Organizers should be alert to exhibitors reserving End-cap configurations to ensure they do not violate Linear Booth Line-of-Sight regulations for neighboring exhibits. (In most cases, this booth style is not recommended due to the Line-of-Sight issues, and Organizers should be aware of these challenges when using them.)

Dimensions and Use of Space

End-cap Booths are generally 10ft (3.05m) deep by 20ft (6.10m) wide. The maximum back wall height allowed is 8ft (2.44m) and the maximum backwall width allowed is 10ft (3.05m) at the center of the backwall with a maximum 5ft (1.52m) height on the two side aisles. Within 5ft of the two side aisles, the maximum height for any display materials is 4ft.

PENINSULA BOOTH

A Peninsula Booth is exposed to aisles on three sides. There are two types of Peninsula Booths: (a) one which backs to Linear Booths, and (b) one which backs to another Peninsula Booth which is referred to as a “Split Island Booth.”

Dimensions and Use of Space

A Peninsula Booth is usually 20ft by 20ft (6.10m by 6.10m) or larger. When a Peninsula Booth backs up to two Linear Booths, the back wall is restricted to 4ft (1.22m) high within 5ft (1.52m) of each aisle, permitting adequate line of sight for the adjoining Linear Booths. A typical maximum height range allowance is 16ft to 20ft (4.88m to 6.10m), including signage for the center portion of the back wall. Double-sided signs, logos and graphics shall be set back 10ft (3.05m) from adjacent booths.

SPLIT ISLAND BOOTH

A Split Island Booth is a Peninsula Booth which shares a common back wall with another Peninsula Booth.

Dimensions and Use of Space

The entire Cubic Content of this booth may be used, up to the maximum allowable height, without any back wall Line-of-Sight restrictions. A typical maximum height range allowance is 16ft to 20ft (4.88m to 6.10m), including signage. The entire Cubic Content of the space may be used up to the maximum allowable height. Double-sided signs, logos and graphics shall be set back 10ft (3.05m) from adjacent booths.

ISLAND BOOTH

An Island Booth is any size booth exposed to aisles on all four sides.

Dimensions and Use of Space

An Island Booth is typically 20ft by 20ft (6.10m by 6.10m) or larger, although it may be configured differently. The entire Cubic Content of the space may be used up to the maximum allowable height, which is usually a range of 16ft to 20ft (4.88m to 6.10m), including signage.

EXTENDED HEADER BOOTH 20FT (6.10M) OR LONGER

An Extended Header Booth is a Linear Booth 20ft (6.10m) or longer with a center extended header.

10' X 20' EXTENDED HEADER BOOTH

Dimensions and Use of Space

All guidelines for Linear Booths apply to Extended Header Booths, except that the center extended header has a maximum height of 8ft (2.44m), a maximum width of 20 percent of the length of the booth, and a maximum depth of 9ft (2.7m) from the back wall.

CUBIC CONTENT STYLE

Cubic Content style allows exhibits to fully occupy the width, depth and height of the booth footprint. For example, a 10ft by 10ft (3.05m x 3.05m) booth would be allowed to utilize the full volume of the cube of a 10ft wide (3.05m) x 10ft deep (3.05m) x 8ft (2.44m) high area.

It is the choice of the Organizer to allow use of full Cubic Content in linear exhibit space or to observe the Line-of-Sight set-back rule. It is common at certain types of exhibitions or events to eliminate the Line-of-Sight requirement for Linear, End-cap, and Peninsula Booths that back up to Linear Booths. This permits exhibitors to utilize the full Cubic Content of the booth.

Organizers that utilize Cubic Content in Linear Booths do so for one or all of these reasons:

- Cubic Content is more conducive to certain types of product displays or experiences.
- Cubic Content maximizes the exhibit space and investment.
- Generally, exhibitions outside North America utilize Cubic Content making the show friendlier to international exhibitors.
- Cubic Content reduces the need to police exhibits to enforce Line-of-Sight setback rules.

Use of Cubic Content may create situations where the Organizer must address exhibits that have unfinished walls. A determination must be made as to responsibility for finishing these unfinished walls.

It is prudent for the Organizer considering Cubic Content to examine the concerns, advantages and disadvantages prior to putting Cubic Content guidelines into practice. It is often wise to consult with the exhibition's Exhibits Advisory Board or perhaps conduct a focus group of the exhibition's or event's exhibitors to determine their interest and gain their feedback and support for the concept. Organizers must be proactive in communicating with exhibitors and understand the effect it will have on the exhibition or event.

To learn more about Cubic Content, read the [IAEE White Paper: Evaluating and Implementing Cubic Content into Linear Exhibit Space](#).

OTHER IMPORTANT CONSIDERATIONS

REMOTE-CONTROLLED DEVICES

Products such as remote-controlled cars, drones, planes, helicopters, robots, etc. are to be demonstrated in a safely controlled area of the exhibit floor (i.e. Demonstration Area). When a remote-controlled device is to be used for the purpose of demonstrating a product that requires use of an area outside of the exhibitor-assigned booth space, the Organizer will provide a Demonstration Area for this purpose. The Demonstration Area should include safe netting or other barrier appropriate to accommodate product(s) being demonstrated and be included on the master floor plan submitted for Fire Marshal approval. Each individual facility reserves the right to determine what constitutes a safe and controlled Demonstration Area prior to final plan approval.

NOTE for Drone Operation: Local facility and city ordinances are in effect in most areas and prohibit drone activity near the public or in public spaces. The accepted drone default regulation is the [FAA Small UAS Rule Part 107](#) which requires drone operators to obtain a Remote Pilot Certificate. Commercial regulations often require permits and insurance.

CANOPIES AND CEILINGS

Canopies, including ceilings, umbrellas and canopy frames, can be either decorative or functional (such as to shade computer monitors from ambient light or to allow for hanging products). Canopies for Linear or Perimeter Booths should comply with Line-of-Sight requirements. (See “Use of Space” for Linear or Perimeter Booths).

The bottom of the canopy should not be lower than 7ft (2.13m) from the floor within 5ft (1.52m) of any aisle. Canopy supports should be no wider than three inches 3in (.08m). This applies to any booth configuration that has a sight line restriction, such as a Linear Booth. Fire and safety regulations in many facilities strictly govern the use of canopies, ceilings and other similar coverings. Check with the appropriate local agencies prior to determining specific exhibition rules.

HANGING SIGNS & GRAPHICS

Most exhibition and event rules allow for Hanging Signs and Graphics in all standard Peninsula and Island Booths, usually to a maximum height range of 16ft to 20ft (4.88m to 6.10m) from the top of the sign, or as determined by the Organizer. End-cap Booths do not qualify for Hanging Signs and Graphics. The distance is measured from the floor to the top of the sign. Whether suspended from above, or supported from below, they should comply with all ordinary use-of-space requirements. For example, the highest point of any sign should not exceed the maximum allowable height for the booth type. (An exception to this rule is made for Perimeter Booths, which can have a 12ft [3.66m] backwall but max sign height can be 20ft. [6.10m]. See page 2 Perimeter Booth for diagram.)

Hanging Signs and Graphics should be set back 10ft (3.05m) from adjacent booths and be directly over contracted space only.

Approval for the use of Hanging Signs and Graphics, at any height, should be received from the Organizer at least 60 days prior to installation. Variances may be issued at the Organizer’s discretion. Drawings should be available for inspection.

TOWERS AND MULTI-STORY EXHIBITS

A Tower is a free-standing exhibit component separate from the main exhibit fixture. The height restriction is the same as that which applies to the appropriate exhibit space configuration being used. Fire and safety regulations in many facilities strictly govern the use of Towers. A building permit or safety lines may be required.

A Multi-story Exhibit is a booth where the display fixture includes two or more levels. In many cities, a Multi-story Exhibit requires prior approval by the exhibit facility, and/or relevant local government agency, as well as the Organizer because it is deemed to be a “structure” for building purposes. The city building department generally needs to issue a building permit based on an application and drawings prepared and submitted by a licensed architect or engineer. Exhibitors should obtain local building regulations early on to ensure that all time constraints are met. Organizers should be prepared to assist exhibitors in this application process.

It is recommended that Organizers require exhibitors to provide engineering stamped documents for all Multi-story Exhibits and towers over 8ft (2.44m) in height. If engineering stamps are not required, exhibitors using these types of structures should, at a minimum, provide drawings for inspection.

ISSUES COMMON TO ALL BOOTH TYPES

U.S. AMERICANS WITH DISABILITIES ACT (ADA)

In the U.S., all exhibiting companies are required to be in compliance with the U.S. Americans with Disabilities Act (ADA), and are encouraged to be sensitive, and as reasonably accommodating as possible, to attendees with disabilities. Information regarding ADA compliance is available from the U.S. Department of Justice ADA Information Line (800) 514-0301, and from the ADA website at www.ada.gov.

Some examples of how to design an exhibit for ADA compliance:

- Make exhibits wheelchair accessible by ramping raised exhibit flooring without extending a ramp into the aisle. Note: a standard wheelchair ramp should have a grade no steeper than 1:12. This means that for every inch of rise (change in height), there should be 12 inches of run (change in length). Ramps should have a minimum width of 36 inches.
- Ramp the entry or use hydraulic lifts to trailer exhibits.
- Avoid double-padded plush carpet to ease mobility device navigation.
- Provide the same attendee experience on both levels of a two-story exhibit.
- Offer a signer or other auxiliary hearing-impaired apparatus for sound presentations or have a printed copy of the presentation available.
- Run an audio presentation for people with sight problems.
- Arrange touch screen displays at a height to accommodate a person sitting in a wheelchair.

To avoid potential fines by the U. S. Department of Justice, exhibitors must adhere to the ADA rules. Exhibits are not exempt from ADA compliance.

STRUCTURAL INTEGRITY

All exhibit displays should be designed and erected in a manner that will withstand normal contact or vibration caused by neighboring exhibitors, hall laborers, or installation/dismantling equipment, such as fork lifts. Displays should also be able to withstand moderate wind effects that may occur in the exhibit hall when freight doors are open. Refer to local building codes that regulate temporary structures.

It is recommended that all exhibits 20ft by 20ft (6.10m by 6.10m) and larger require a drawing, plans or renderings, preferably digital, to be submitted to the Organizer, and to the show's Official Services Contractor.

Exhibitors should ensure that any display fixtures such as tables, racks, or shelves are designed and installed properly to support the product or marketing materials to be displayed.

FLAMMABLE AND TOXIC MATERIALS

All materials used in display construction or decorating should be made of fire retardant materials and be certified as flame retardant. Samples should also be available for testing. Materials that cannot be treated to meet the requirements should not be used. A flame-proofing certificate should be available for inspection. Exhibitors should be aware of, and must adhere to, all local regulations regarding fire/safety and environment.

Exhibitors should dispose of any waste products they generate during the exhibition in accordance with guidelines established by the U.S. Environmental Protection Agency, or the appropriate government entity in the country the exhibition will be held, and the facility.

HAZARDOUS WASTE

Hazardous waste requires special arrangements to be prepared in advance of event dismantle with either the facility or a local independent disposal company. Exhibitors are responsible for all costs associated with such specialized removal.

STORAGE

Fire regulations in most exhibit facilities prohibit storing product, literature, empty packing containers, or packing materials behind back drapes or under draped tables. In most cases, however, exhibitors may store a limited supply of literature or product appropriately within the booth area, as long as these items do not impede access to utility services, create a safety problem, or look unsightly.

ELECTRICAL

Every exhibit facility has different electrical requirements; however, minimum guidelines are suggested:

- All 110-volt wiring should be grounded three-wire.
- Wiring that touches the floor should be “SO” cord (minimum 14-gauge/three-wire) flat cord, which is insulated to qualify for “extra hard usage.” It is particularly important for exhibitors to use flat electrical cord in under-carpet installations.
- Cord wiring above floor level can be “SJ” which is rated for “hard usage.”
- Using zip cords, two-wire cords, latex cords, plastic cords, lamp cords, open clip sockets, and two-wire clamp-on fixtures is not recommended and is often prohibited. Cube taps should be prohibited.
- Power strips (multi-plug connectors) should be UL approved, with built-in over-load surge protectors.
- Local code commonly requires access to electrical cords and connections along the back wall of exhibit booths; typically, the back 9 inches of the space should remain accessible for this purpose. (This would apply to all booth types with a back wall.)

To better understand electrical at exhibitions, see the CEIR article [Demystifying Electrical Services for the Exhibitor](#).

LIGHTING

It is important to remember that lighting issues need to be identified as early as possible during the move-in process so they can be addressed and corrected while the necessary equipment is still available on the show floor and booths can be accessed.

Exhibitors should adhere to the following suggested minimum guidelines when determining booth lighting:

- No lighting, fixtures, lighting trusses, or overhead lighting are allowed outside the boundaries of the exhibit space. Exhibitors intending to use hanging light systems should submit drawings to the Organizer for approval.
- Lighting should not project onto other exhibits or exhibition aisles. Lighting, including gobos, should be directed to the inner confines of the booth space.
- Lighting that is potentially harmful, such as lasers, ultraviolet lights or flashing or strobe lights that can trigger photosensitive epilepsy should comply with facility rules and be approved in writing by the Organizer.
- Lighting that spins, rotates, pulsates, and other specialized lighting effects should be in good taste and not interfere with neighboring exhibitors or otherwise detract from the general atmosphere of the event.
- LED lights can be very bright yet generally generate less heat.
- Currently, some convention facilities are not allowing certain types of quartz halogen lighting fixtures in exhibits due to potential fire hazards.
- Reduced lighting for theater areas should be approved by the Organizer, the utility provider, and the facility.

DEMONSTRATIONS

As a matter of safety and courtesy to others, exhibitors should conduct sales presentations, product demonstrations, press conferences and other media events in a manner which assures all exhibitor personnel and attendees of such in-booth events are within the contracted exhibit space and not encroaching on the aisles or neighboring exhibits. Any queue lines formed for exhibitor customer interaction must also be contained within the booth footprint. It is the responsibility of each exhibitor to arrange displays, product presentation, audio visual presentations, and demonstration areas to ensure compliance with all other previously listed rules and regulations. Exhibitors should be aware of, and adhere to, local regulations regarding fire/safety and environment.

Special caution should be taken when demonstrating machinery or equipment that has moving parts, cooking equipment with an open flame, or any product that is otherwise potentially dangerous. Exhibitors should establish a minimum setback of 3ft (.91m) and/or install hazard barriers as necessary to prevent accidental injury to spectators. Additionally, demonstrations should only be conducted by qualified exhibitor personnel.

SOUND/MUSIC

In general, the use of sound equipment in booths is permitted as long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned to direct sound inward (to be contained within the booth) rather than outward (toward aisles and other exhibitor booths). Generally, sound and noise should not exceed 85 decibels when measured from the aisle immediately in front of a booth. If an exhibitor or attendee is standing within ten feet of an exhibitor's booth and cannot carry on a normal voice-level conversation, the noise source is too loud. (Refer to the U.S. Occupational Safety and Health Act [OSHA] at www.osha.gov for more information.)

Exhibitors should be aware that music played in their booths, whether live or recorded, may be subject to laws governing the use of copyrighted compositions. Authorized licensing organizations, including but not limited to [ASCAP](http://www.ascap.com), [BMI](http://www.bmi.com) and [SESAC](http://www.sesac.com), collect copyright fees on behalf of composers and publishers of music. It is the exhibitors' responsibility to be informed of copyright laws and submit fees to the appropriate organizations.

VEHICLES

Rules for display vehicles vary widely depending on the facility and local fire and safety regulations. Compliance with fire, safety, the U.S. Americans with Disabilities Act (ADA), and other city, county, federal, and provincial government requirements is the responsibility of the Organizer.

Important Note: Always check with local exhibition service contractors and/or the facility for all requirements regarding display vehicles.

Below are a few common examples of display vehicle regulations:

- Display vehicles must have battery cables disconnected and taped, and alarm systems deactivated.
- Fuel tank openings shall be locked or sealed in a manner to prevent escape of vapors through filler caps.
- Vehicles shall be limited in the amount of fuel that can remain in the tanks; specific amounts vary but one example is no more than one-quarter the tank capacity or a maximum of five gallons of fuel, whichever is less.
- Fueling or de-fueling of vehicles on the facility premises is prohibited.
- Once placed, display vehicles may not be started or moved without the approval and direction of show management.
- Auxiliary batteries not connected to engine starting system may remain connected. External power is recommended for demonstration purposes. No battery charging is permitted inside buildings.
- Combustible/flammable materials must not be stored beneath display vehicle. There may be no leaks underneath vehicles.
- It is not recommended that Organizers hold or take possession of display vehicle keys during the event. However, it is recommended that an official policy be established for the handling of vehicle keys which might include identifying booth contacts with mobile numbers should vehicles need to be moved in an emergency or some other unforeseen situation.

ADVISORY NOTES TO EXHIBITION ORGANIZERS

FIRE EQUIPMENT

Fire hoses, extinguishers, and audible or visual devices for fire alarms should be visible and accessible at all times.

HANGING SIGNS

Although these Guidelines indicate 16ft to 20ft (4.88m to 6.10m) as a maximum height range to the top of the sign, some exhibitions permit other heights, or have no height limit. However, most Organizers do impose height limits. Caution should be exercised so exhibitors will not compete over air space for hanging signs. (See page 2 for details and a diagram for hanging signs in Perimeter Booths.)

Exhibitors should be advised to install “hanging points” at the time of manufacture of the sign or display. It is also advisable to have Hanging Signs labeled and cased separately so that they can be easily identified on-site as they usually must be installed before other exhibit construction can begin.

HARDWALL BOOTHS

Exhibitions that provide Hardwall Booths should specify if these structures can be used for display and attaching products.

PERIMETER OPENINGS

Local fire and/or facility regulations may require larger exhibit booths to have a certain number of openings within the perimeter walls for safe egress. Regulations vary with each location, but one example would be to provide, at a minimum, one 6ft (1.83m) wide opening every 30ft (9.14m).

PIPE AND DRAPE

These are commonly used at exhibitions and events in the United States to define exhibit space. Organizers often include in their rules and regulations that this equipment is not intended as a display fixture. Therefore, product and signs should not be attached or affixed. Measurements of booths must allow for size of pipe on sides and back.

PRODUCT HEIGHT

Some exhibitors have products that exceed display height restrictions. Organizers should establish guidelines for displaying such products. For example, some exhibitions or events require that these exhibitors reserve only perimeter space. Products exceeding height restrictions for Islands and Peninsulas are usually permitted, providing they are displayed in operating mode, and the names and logos, etc. on the product are as it is sold. NOTE: Any special height variances allowed should apply only to those products represented, produced or manufactured by the exhibitor and would not apply to ancillary display or marketing items (such as promotional flags, signs, etc.).

HEIGHT VARIANCES

Height Variances may be issued for all types of booths. However, in a Linear Booth, the back side of any structure over 8ft (2.44m) must be free of trademarks, graphics and/or logos. Tall flags or markers on the front aisle of Linear Booths are prohibited. Pop up tents or canopies may be allowed but must follow all local fire and facility regulations.

ENVIRONMENTAL RESPONSIBILITY

Exhibitions and events, by their very nature, create waste. Properly managed, exhibitions and events can recycle excess materials and supplies in useful and meaningful ways, and they can do so using methods that result in minimized impact on the environment. Exhibits should utilize recycled, renewable and energy efficient materials whenever possible. Exhibitors planning to dispose of, or leave behind, any property from their booth must make arrangements with the Official Services Contractor for disposal and all appropriate and applicable fees will apply.

Thank you for your order.

Terms & Conditions

- 1) Convention Data Services, Inc. hereinafter called "CONTRACTOR" agrees to the delivery of services as specified and is to be rendered in a timely and professional manner according to standard industry practices. All equipment and software remains the sole property of CONTRACTOR. In the event of strikes, electrical power failures, accidents and/or occurrences beyond the control of CONTRACTOR or customer, all deposits and fees shall be returned.
- 2) The method of payment shall be in United States dollars and submitted with the order for service. CONTRACTOR will only accept checks drawn on banks located in the United States of America or certified funds. Wired payments are not accepted. *Checks will not be accepted as payment at the show site.*
- 3) Early & Advance orders must be received on or before deadlines and paid in full. Orders received without payment or after the discount deadlines will be charged at the appropriate published price based on order deadline dates. Services will not be rendered until payment in full is received.
- 4) **ALL ORDER CANCELLATIONS RECEIVED MORE THAN 30 DAYS PRIOR TO SHOW OPENING WILL BE SUBJECT TO A \$100.00 CANCELLATION FEE. NO REFUNDS WILL BE MADE FOR ORDERS CANCELED WITHIN 30 DAYS OF THE SHOW OPENING DATES.** No refunds will be issued for unused equipment or licenses unless the request is received 30 days prior to show opening.
- 5) No partial refunds will be allowed onsite should exhibitor fail to meet the system requirements stated on the front of the order form for XPress Connect Elite orders. If your computer does not meet these requirements, our onsite representatives will do their best to update your computer. Otherwise an alternate lead retrieval device will be provided subject to availability. *No refunds will be granted in these circumstances.*
- 6) Onsite orders are based on unit availability.
- 7) Customer agrees to return all equipment to CONTRACTOR'S service desk within two hours of the show closing. **EQUIPMENT LEFT IN THE EXHIBIT AREA IS THE RESPONSIBILITY OF THE CUSTOMER.**
- 8) The customer agrees to return any equipment to CONTRACTOR in the same condition. Customer is responsible to pay CONTRACTOR the replacement cost shown below should the equipment be lost, stolen or damaged while in the customers care (only applicable if customer does NOT purchase the Loss/Damage Waiver coverage or coverage rules not expressly followed as detailed in 8b). Customer acknowledges and understands that the applicable replacement cost is as follows:
- 8a) The customer authorizes CONTRACTOR to charge the credit card provided \$500.00 for failure to return the equipment within two hours after the official hall closing. The customer also authorizes CONTRACTOR to charge the credit card the replacement cost indicated above for either the failure to return the equipment or for any damaged equipment.

- 8b) Loss/Damage Waiver Terms: The Loss/Damage Waiver coverage protects the customer from liability of accidental damage or theft to the CONTRACTOR's device. Customer must report loss or damage to CONTRACTOR's Lead Retrieval Desk immediately. To honor Loss/

Damage Waiver coverage for equipment believed to be stolen, customer must file a police/security report and provide a copy of such report to the CONTRACTOR within seven (7) days of reporting the equipment missing. If copy of report is not received within seven (7) business days of the event end date, Loss/Damage Waiver is considered null and void and the customer will be charged for the full replacement value of the equipment as listed above.

- 9) CONTRACTOR'S liability for damage of any cause whatsoever will be limited to the total price for the goods and services provided by CONTRACTOR.
- 10) CONTRACTOR disclaims any responsibility for misuse, loss of power, power surges, and customer adjustments that are not covered in the instructions, acts of God, or any other act beyond the control of the CONTRACTOR.
- 11) Customer is responsible to pay all applicable Federal, State or Local taxes. If the applicable tax rate is different from the published rate at the time of placing the order, then Contractor may adjust the tax due by the customer accordingly. If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exempt Certificate for that state. Please submit this certificate with order, otherwise tax will be charged to your order.
- 12) It is agreed that the governing law pertaining to this contract will be the laws of the State of Massachusetts, with venue exclusively in Barnstable County.
- 13) If you have ordered our Delivery/Pick-up service, there must be a company representative available to receive the equipment. Deliveries are completed the day before the show opens unless otherwise noted. If no one is present in your booth when we deliver your system, you will be responsible for picking up your equipment. Pick-ups are done one (1) hour following the close of the show.
- 14) Equipment images for marketing purposes represent the current equipment, however due to continuous new product development and technology upgrades, equipment fulfillment onsite may not always match equipment images found on forms and other ordering methods.

TERMS AND CONDITIONS OF SERVICE

1. Service and Installation Hospitality Network, LLC ("Hospitality"), shall provide Customer with certain services ("Services") and equipment ("Equipment") as described on the first page for the use of Customer and Customer's agents, independent contractors and guests attending or participating in an event hosted by Customer ("Customer's Guest"). Customer understands that Hospitality is the exclusive provider of all telecommunications services at the Fort Worth Convention Center (the "Facility"). Furthermore, Hospitality is the exclusive provider at the Facility of all floor work associated with the extension of telecommunications and networking services, including, without limitation, coax, fiber or any cabling that transmits voice, data or video. Customer shall be responsible for the acts of Customer's Guests in connection with the Services as if such acts were performed by Customer. Except to the extent caused by Hospitality, a Hospitality agent or subcontractor, Customer shall be responsible for damage to any Equipment provided hereunder. Neither Customer nor any Customer Guest may use the Services in any manner that interferes with or impairs any Hospitality network, whether wired or wireless, Equipment or facilities. The Equipment may be used only for the purpose of receiving the Services. For Hospitality Internet services, bandwidth speed options may vary. Customer acknowledges and agrees that Customer and Customer's Guests may not always receive or obtain optimal bandwidth speeds and Hospitality network management needs may require Hospitality to modify upstream and downstream speeds.

2. Service Date and Term This Agreement shall be effective upon execution by the parties. Services shall be provided beginning on the Event Start Date and ending on the Event End Date, as described on the first page of this Agreement. Hospitality shall use reasonable efforts to make the Services available by the Event Start Date; provided, however, that Hospitality shall not be liable for any damages whatsoever resulting from delays in meeting any service dates due to delays beyond its reasonable control.

3. Customer Responsibilities Customer shall ensure that Customer and Customer's Guests use the Services in compliance with all applicable laws and ordinances, as well as applicable leases and other contractual agreements between Customer and third parties. If Customer is purchasing access codes enabling Customer or Customer's Guests to access the Internet, such individuals will be required to agree to the terms of a Hospitality end user license agreement before accessing the Internet. If Customer is purchasing bandwidth and itself controlling access to the Internet, Customer agrees to require all individuals accessing the Internet to agree to the terms of an end user license agreement reasonably acceptable to Hospitality. Customer is responsible for ensuring that all Customer and Customer Guest equipment is compatible for the Services selected and with the Hospitality network.

4. Equipment Unless otherwise provided herein, Customer agrees that Hospitality shall retain all rights, title and interest to facilities and Equipment installed by Hospitality hereunder and that Customer shall not create or permit to be created any liens or encumbrances on such Equipment. Hospitality shall install Equipment necessary to furnish the Services to Customer. Customer shall not modify or relocate Equipment installed by Hospitality without the prior written consent of Hospitality. Customer shall not permit tampering, altering or repair of the Equipment by any person other than Hospitality's authorized personnel. For Hospitality-owned Equipment, Customer shall, at the expiration or termination of this Agreement, return the Equipment in good condition, ordinary wear and tear resulting from proper use excepted. In the event the Equipment is not returned to Hospitality in good condition, Customer shall be responsible for the value of such Equipment as provided on the first page of this Agreement, or if no such value is provided, for the replacement cost of such Equipment. Hospitality shall repair any Equipment owned by Hospitality at no charge to Customer provided that damage is not due to the negligence or intentional misconduct of Customer. If additional equipment not listed on the first page of this Agreement, including but not limited to, televisions, monitors, computers, circuits, software or other devices, are required by Customer to use the Services, Customer shall be responsible for such equipment.

5. Resale of Service Neither Customer nor any Customer Guest may resell any portion of the Services to any other party.

6. Default If Customer or any Customer Guest fails to comply with any material provision of this Agreement, including, but not limited to failure to make payment as specified, then Hospitality, at its sole option, may elect to pursue one or more of the following courses of action upon proper notice to Customer as required by applicable law: (i) terminate service whereupon all sums then due and payable shall become immediately due and payable, (ii) suspend all or any part of Services, and/or (iii) pursue any other remedies, including reasonable attorneys' fees, as may be provided at law or in equity, including the applicable termination liabilities.

7. Termination Hospitality reserves the right to require Customer to pay an early termination fee equal to 10% of the Hospitality services ordered, if Customer cancels an order after the order is placed, but before the installation date. No refunds will be provided to orders which are canceled after they have been installed. Wireless devices not authorized by Hospitality are prohibited. Use of any device that interferes with Hospitality's network is prohibited. If there is signal interference, Hospitality may terminate this Agreement if Hospitality cannot resolve the interference by using commercially reasonable efforts. If Hospitality loses its right to sell Services at the Facility, Hospitality may assign this Agreement to a third party or terminate this Agreement by providing written notice to Customer and by refunding all prepaid amounts to Customer.

8. LIMITATION OF LIABILITY HOSPITALITY SHALL NOT BE LIABLE FOR DAMAGES FOR FAILURE TO FURNISH OR INTERRUPTION OF ANY SERVICES, NOR SHALL HOSPITALITY BE RESPONSIBLE FOR FAILURE OR ERRORS IN SIGNAL TRANSMISSION, LOST DATA, FILES OR SOFTWARE DAMAGE REGARDLESS OF THE CAUSE. HOSPITALITY SHALL NOT BE LIABLE FOR DAMAGE TO PROPERTY OR FOR INJURY TO ANY PERSON ARISING FROM THE INSTALLATION OR REMOVAL OF EQUIPMENT UNLESS CAUSED BY THE NEGLIGENCE OF HOSPITALITY. UNDER NO CIRCUMSTANCES WILL HOSPITALITY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES INCLUDING LOST PROFITS ARISING FROM THIS AGREEMENT. HOSPITALITY'S MAXIMUM LIABILITY TO CUSTOMER ARISING UNDER THIS AGREEMENT SHALL BE THE LESSER OF \$5,000.00 OR THE AMOUNT ACTUALLY PAID BY CUSTOMER FOR SERVICES HEREUNDER.

9. Assignment Customer may not assign, in whole or in part, this Agreement without the prior written consent of Hospitality, which consent may be withheld in Hospitality's discretion. Hospitality may assign this Agreement and Service may be provided by one or more legally authorized Hospitality affiliates.

10. WARRANTIES EXCEPT AS PROVIDED HEREIN, THERE ARE NO AGREEMENTS, WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, RELATING TO THE SERVICES. SERVICES PROVIDED ARE A BEST EFFORTS SERVICE AND HOSPITALITY DOES NOT WARRANT THAT THE SERVICES, EQUIPMENT OR SOFTWARE SHALL BE ERROR-FREE OR WITHOUT INTERRUPTION. HOSPITALITY MAKES NO WARRANTY AS TO TRANSMISSION OR UPSTREAM OR DOWNSTREAM SPEEDS OF THE NETWORK.

11. INDEMNITY Customer shall indemnify and hold Hospitality and its respective affiliates, subcontractors, employees and agents harmless (including payment of reasonable attorney's fees) from and against any claims, actions or demands relating to or arising out of Customer's or Customer's Guests use of the Service including without limitation (i) any content or software displayed, distributed or otherwise disseminated by Customer, its employees, or Customer's Guests or (ii) any malicious act or act in violation of any laws committed by Customer, its employees or Customer's Guests.

12. Viruses, Content, Customer Information Software or content obtained from the use of Service may contain viruses or other harmful features and Customer is solely responsible for protecting Customer and Customer's guests' networks, equipment and software through the use of firewalls, anti-virus, and other security devices. Through the use of the Service, Customer may obtain or discover content that is offensive or illegal and Customer assumes the risk and is solely responsible for its access to such content. Hospitality may disclose Customer information to law enforcement or to any Hospitality affiliate. Hospitality may delete any Internet traffic or e-mail that contains a virus. If Customer operates a wireless local access network in connection with the Services, Customer is solely responsible for the security of its network.

13. Public Performance If Customer engages in a public performance of any copyrighted material through use of the Services provided under this Agreement, the Customer, and not Hospitality, shall be responsible for obtaining any public performing licenses.

14. Regulatory Authority-Force Majeure This Agreement and the obligations of the parties shall be subject to modification to comply with all applicable laws, regulations, court rulings, and administrative orders, as amended. In no event shall either party have any claim against the other for failure of performance if such failure is caused by acts of God, natural disasters including fire, flood, or winds, pandemics, epidemics, civil or military action, including riots, civil insurrections or acts of terrorists or the taking of property by condemnation.

15. Miscellaneous This Agreement constitutes the entire agreement between Hospitality and Customer for the Services and equipment provided herein. The invalidity or unenforceability of any term or condition of this Agreement shall not affect the validity or enforceability of any other provision. Except as provided herein, this Agreement may be modified, waived or amended only by a written amendment signed by both parties. The rights and obligations of the parties under this Agreement shall be governed by the laws of the State of Texas. The failure by either party to exercise one or more rights provided in this Agreement shall not be deemed a waiver of the right to exercise such right in the future. Notices required by this Agreement shall be in writing and shall be delivered either by personal delivery or by mail. If delivered by mail, notices shall be sent by any express mail service; or by certified or registered mail, return receipt requested; with all postage and charges prepaid. All notices and other written communications under this Agreement shall be addressed to the parties at the addresses on the first page of this Agreement, or as specified by subsequent written notice delivered by the party whose address has changed. Any provision that should by its nature survive the termination or expiration of this Agreement shall survive such termination or expiration. Hospitality network management needs may require Hospitality to modify upstream and downstream speeds. Use of the data, Internet, Services is subject to the "AUP" at <https://www.coxhn.com/acceptable-use-policy/>. Hospitality, in its sole discretion, may modify, supplement, or delete any portion of the AUP from time to time, without additional notice to Customer, and any such changes will be effective upon Hospitality publishing such changes on the applicable website listed above. BY EXECUTING THIS AGREEMENT AND/OR USING OR PAYING FOR THE SERVICES, CUSTOMER ACKNOWLEDGES THAT IT HAS READ, UNDERSTOOD, AND AGREED TO BE BOUND BY THESE TERMS, INCLUDING THE AUP. If applicable to the Service, Customer shall pay sales, use, gross receipts, and excise taxes, access fees and all other fees, universal service fund assessments, 911 fees, franchise fees, bypass or other local, state and Federal taxes or charges, and deposits, imposed on the use of the Services. All orders are subject to approval of Hospitality.
